Hongkone, September 27th, 1894.

Our Rangood contemporary does well to be-angry, when reviewing the provisions of reason to imagine a more favourable issue that a fresh north-east breezs was experienced not do more than refer to the dang-rous and the prepostenous Anglo-Chinese Convention to an engagement where the conditions to Formesa. On the 23rd, at 10.30 p.m. a dark disagreeable nature of the work done by Mr. relating to Burmah for which Lord Ross. would be reversed. As was the case at BERY and Mr. N. R. O'CONOR are jointly Ping-yang, the victory at Yaloo remained responsible. The Rangoon Gazette is un. not with numbers or even brute couragedoubtedly correct in believing that this of which there is no lack among the foolish and undignified agreement was the Northern Chinese, but with skill, science, off-spring of pavic. Lord Rosebery, in and discipline. It must not be forgotten. concluding this convention, gave the kevnote | too, that in the naval battle the Chinese had to his character and policy—only at that the assistance of Europeans—vide two mertime the fact was not recognised, and he centries killed and one wounded-while the obtained credit instead for more skill in Japanese fought, so to speak, off their own in diplomacy than he merited. China had bat, and wou on their merits. Sofar the prediction (Bar 29.79), had fresh E.N.E. breeze kind during the plague. just been giving France a vast amount of tions of Capt. Lanc, R.N., have been very trouble in Tonkin because the French had wide of the mark, and his assertion that Japan chos n to regard the suzerain rights of the will in the end be utterly crushed, will, we ed strong gale and following sea. 430 a.m. siderable risk and danger as well as severe bodily Son of Heaven over Annam as shadowy and feel confident, prove equally erroneous. inoperative. Lord Rosenery would seem The reason is not far to seek. Japan has 10,30 a.m. (Bar 29.48) wind shifted to south daily. Mr. Germain displayed very great tast to have believed that the Government of adopted something more and better than east blowing a strong gale. I p.m. (Ber and judgment in de ling with the Chinese and Peking could with equal case have directed the mere material weapons and forces of the the Black Flag bands to overrun Burma! West; she has taken to herself Western men who were clinging to a spar, and another off members of the Police Porce working under and render the pacification of the country | methods with them, including a just and as difficult as the reduction of Tonkin and patriotic system of administration. Anuam to order proved to the French. Lord Roseberracted with undue precipitation and adopted a policy of compromise and concession. He did not stay apparently to inquire how far the circumstances of Annam and Burmah coincided, and seems to have accepted—doubtless much to that astute personage's surprise the Marquis Tsens's claims seriously and without question. What part Mr. O'Conon had in hurrying forward this entirely one-sided convention we have no means of knowing. But being nearer the spot and prosumably better acquainted with the conditions he might have pointed out to the then head of the Foreign Office that while the suzerainty Negasaki, this morning: of China over the King of Ava was an exceedingly shadowy one, and the tributary Embassy sent from Mandalay to Peking was very occasional and quite voluntary, the connection between China and Ahnam was much closer, the vassalage of the latter to Peking far more real than that ever acknow- from Manila station that quarantine restrictions our cumshaw ledged by the Burmess monarchs. He might also have reassured the timid soul of the Foreign Minister concerning the Black Flags. These freebooting bands had for years been the scourge of the Tonkin frontier, but they Nagasaki, Kobe, Inland Sea and Yokohama, were Kwangsi men, and to the Burmab frontier would have been a long and difficult march even for such hardy nomads. More the Green Island lighthouse jumped into the over it would not then have been the policy of the Peking Government to make an rived. The body was subsequently recovered. enemy of England, who had but recently granted to China a great and unrequited concession in the shape of the Additional Anson) came into collision with an elephant of Article to the Chefee Convention with all that it entailed. On his part Lord Rosz. killed. No one in the train was injured. It Mok Ping Chenng, P.C 287, with the unlawful rubbish, &c., &c. BERY might well have pointed out to the Marquis Tseno that the British Indian Government having been compelled, through the bad faith and frightful misgovera- amusement and health of the Buropean inhabit, others on the Bace Course. Defendant had wices to may be allowed extra pay for the four him and to annex his dominions to the by a st ong wooden fence, 200 ft, by 150 ft, and Defendent said that someone broke the wire as to make up his pay on the whole to that of mittee are making a separate a port on them, provinces of British Burmah, the tribute contains a house with two ludies and two gentle- and he to kit.

But, unfortunately for British prestige and ! for British commercial interests in in great measure positiubt to the astute per annum. counsels of Sir HALLIDAY MACARTNEY, who, rightly or wrongly, was believed to direct all Thend's movements and inspire to a

conceded the suzerainty of China over to the Hongay mines, Burmah and arranged for the continuance of the tribute, the British Government should | thority that telegraphic information was received act worsted when the question of boundaries the previous day the Dutch troops had captured came to be settled. The two Shan States of Pasingabin and Paguagan. both places to the Mainlingi and Kangbung may not be of south of Mataram, and the former within a mile much value to Great Britain, but it is dif- stubborn resistance, and auffored wory heavy ficult to see on what principle the latter lesses. They left behind them a considerable

can condemn these territories to subjection to Chinese misrule after enjoying for centuries a rude semi-independence. Under Burmese rule they would certainly the death of a coolie who mat his death through never have made any advance, but their a fall at the Taikoo, Sagar Refinery on the transference to China will in no way who said he was employed in that establishment improve their prospects, while their administ as rope-puller. On the 24th inst., at 9 a.m., he tration from Calcutta would have afforded them a chance of partaking of the bless- shears. He went up to fix the pulley so as to their reportion the plague and on the work done ings of civilisation. Is it too late to revise lower some articles. While he was trying to under their orders and on their responsibility in quered country, governed from Calcutta, it Peking, and that the Burmose boundaries guys provided for the purpose of hooking the rendered to the Committee and to the public argued that such a course would seem like present embarrassments; but to this it could be replied that these were concessions for which China has not only offered no return accidental death was returned. whatsoever, but has on the contrary construed British generosity and complaisance into weakness, and rowarded it by gross, glaring,

and continued infractions of the treaties and

by ghastly assassinations of peaceful if inis-

guided missionaries.

Our-from the haze of falsehood and fic tion with which ingenious Celestial news manipulators have surrounded the events the Chino Japanese War, two facts now stand clear and undeputed: the kattle of Ping-yang, which is likely to prove a decisive stroke in the struggle for ascendency in Korea, and the Battle of Yaloo, as the recent naval engagement will be known in hisfory, which appears to presage the doom of the Chinese navy. The first named disaster. [20] may be retrieved; the loss affeat is not repairable. On the Chinese side they lost four powerful cruisers, while the Japanese had three vessels more or less damaged, one hadiy so. All these can, however, be readily repaired, and the Japanese fleet will, there- approaching Gap Rock, and the ship stood to The Permanent Committee have only to say that fore, in a few weeks be as effective as ever, while the Chinese navy is the weaker by the loss, including that sustained in the Haddark, cloudy weather with moderate W. to | Mr. Crook had the valuable assistance of battle of Yashan, of five men-of-war and After that hour the supply is limited. Only Supplied one despatch vessel.
